

SELECTED CHARITIES for DONATIONS in 2019.

(This year both charities were AWAY charities).

CHRISTIAN BLIND MISSION.

The Christian Blind Mission is an international Christian development organisation, committed to improving the quality of life of persons with disabilities in the poorest countries. Every day, people in the world's poorest places become needlessly blind because of conditions that can be easily treated. This donation was made to the "See The Way" appeal to attract an equal donation from the British Government. These donations went to help people with sight problems, providing sight-saving surgery, glasses and support.
